SCRIPTURE STUDY: Exodus 3:1-12

REFLECTION QUESTIONS:

As the host of your group, choose the questions from below that help your group explore Sunday's message and discuss their spiritual journey and what God is doing in their lives. All questions do not need to be answered and it is up to you to decide which questions to include and leave out in order to help your group to share faith and share life. You do not need to have all the answers and should encourage group members with comments like, 'what do others think?' rather than give answers yourself. The leader will probably speak the least while facilitating good conversation.

1. Has there been a time in your life when you were minding your own business, going through your normal life, and God showed up, revealing Himself, or spoke to you in some surprising way. If you can, share your experience with your group.
2. Try to imagine being in this situation. What if God asked you to do something similar to what Moses was asked to do? How do you think you would respond, and why?
3. What is God saying to you today as you reflect upon Moses' story? Considering Moses life, what can we learn about Gods timetables for our lives?
4. Do you feel like God wants you to do something that you aren't qualified to do?
5. How can you prepare yourself for the future when God calls you to some step of faith or action or obedience? What habits or attitudes can you develop now that will help you when that time comes?
6. Looking back at your notes from this week's Message, was there anything that particularly caught your attention, challenged or confused you?
